

Moffat Eco-touch Convection Oven

Bakery

FG150T

Features & Benefits

- Colour Touch Screen Controller
- Fully Programmable
- 4/5 & 10 Tray options
- Icon Driven Menu

- USB programmable
- Multi Bake program facility
- Optional Prover base
- 4/5 Tray option can be double stacked

Moffat Eco-touch Convection Oven

TECHNICAL DATA

The eco-touch, is the result of over two years' development, testing and refinement; its beautifully understated simplicity concealing an array of cutting-edge, energy saving features and new improved baking programmes which elevate it above the crowd.

The design of the oven has been pared back to create a sleek, contemporary frontage which sports a new large theatrical window to maximise the visibility of baking product.

This classically stylish treatment is carried through to the new button-free, state-of-the art Colour Touch-Screen Controller which provides the ultimate user-friendly interface.

5 New Energy Saving Features:

Sleep Mode returns the oven to its optimum standby temperature and reduces energy consumption by up to 66%

LED oven chamber **bulbs** use 88% less electricity and last up to 25,000 hours

Auto Shutdown facility prevents the oven being left on by mistake

USB Programmable reduces carbon footprint and option for future networking via Ethernet and remote telemetry

Overlapped and sealed, foil-fronted, **solid slab insulation** for superb heat retention

5 New Time Saving Functions

User-friendly, **Colour Touch-Screen Controller** for easy programming

Favourites Menu accesses the most frequently used programmes quickly and easily

Multi-Bake facility allows 4 separate bake cycles to be run simultaneously

7-Day Timer provides complete automatic control of the oven's operation

Help? Function appears at the top of each screen for quick and easy access
